

*"No hour of life is wasted that is spent in the saddle"*

\*Heaven's Gate Farm offers year round riding lessons for children and adults. With over 30 years of experience, we provide structured, customized lessons for beginners through A Circuit riders.

\*In addition, we teach each student how to care for the horses they ride. This encourages, understanding, pride, self confidence and a bond with the horses that can last a lifetime. We have many quality lesson horses and ponies for all ages and levels of riders.

\*Lessons are taught on our beautiful 12 acre farm, where we have both indoor and outdoor rings which are beautifully decorated with each changing season. We have a heated and air-conditioned viewing room for your use as well as a comfortable lounge area.

\*Heaven's Gate Farm is a family owned and operated business. It is our life's work and passion to share our experience and knowledge with our students. Every lesson is based on our philosophy to respect the horses and one another. We encourage cooperation, rather than competition among our students.
