

## Create a bond that will last a lifetime... Our 38th Year!

With 22 horses to choose from that are all in IEA and Lessons, We invite children of all ages and skill levels to our fun filled summer camp. On our beautiful, peaceful farm, children learn about horsemanship, riding, grooming, and so much more.

Heaven's Gate Farm is more than just a riding school. We provide a total equestrian experience. During camp, each child discovers the joy and responsibility of caring for their very own assigned horse or pony. They learn and perform all the skills needed for overall care and grooming of their horse.

With our unique combination of daily lessons and responsibilities, each child builds self confidence, self esteem and creates a special and long lasting bond with their horse or Pony.

**ADVANCED CAMP WEEKS:** Are scheduled just for IEA Team Members and Children that know how to Walk /Trot/ Canter and Jump
